Work Experience -

Bruce has an extensive understanding of the basement waterproofing and crawl space repair industry. He has years of experience in the home building industry having worked with his father's construction company in Florida. Bruce brings a focused, intelligent approach to each job he is involved with and is a true professional.

Basement Systems saw what an asset Bruce would be to the company with his previous contracting experience and brought him on board. He has currently been with the company 5 years, coming to the sales force from the CleanSpace division. Bruce has installed over 40 CleanSpace encapsulation systems and has personally trained over 300 new contractors to install Basement Systems' patented waterproofing products. He is a trusted and valued member of the Basement Systems team and upholds the standards of the company. Bruce has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Basement Systems is the exclusive regional dealer and the International Headquarters for the Basement Systems International Waterproofing Contractor Network, a group of more than 200 of the best waterproofing contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Bruce enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. He spends his free time with his wife and children.
