Work Experience -

Bill has an extensive understanding of the basement waterproofing and crawl space repair industry having been involved in the construction of his own home. He also has electrician experience. Bill brings a focused, intelligent approach to each job he is involved with and is a true professional.

Basement Systems saw what an asset Bill would be to the company with his contracting experience and brought him on board. He is a trusted and valued member of the Basement Systems team and upholds the standards of the company. Bill has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Basement Systems is the exclusive regional dealer and the International Headquarters for the Basement Systems International Waterproofing Contractor Network, a group of more than 300 of the best waterproofing and crawl space repair contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Bill enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. He spends his free time with his wife and children.
