Work Experience -

Cynthia has an extensive understanding of the importance of basement waterproofing having experienced the results of Basement Systems products in her own home. After being introduced to the unique and innovative products offered by Basement Systems, she not only had her basement fixed but became interested in the basement waterproofing industry. Cynthia brings a focused, intelligent approach to each job she is involved with and is a true professional.

Basement Systems saw what an asset Cynthia would be to the company and brought her on board. She is a trusted and valued member of the Basement Systems team and upholds the standards of the company. Cynthia has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Basement Systems is the exclusive regional dealer and the International Headquarters for the Basement Systems International Waterproofing Contractor Network, a group of more than 300 of the best waterproofing and crawl space repair contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Cynthia enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. She spends her free time with her husband and sons.
