Ed has an extensive understanding of the basement waterproofing and crawl space repair industry having been a skilled carpenter and a licensed general contractor. He spent 20 years running his own custom home construction company – remodeling homes, constructing additions, designing and building new homes. His brother-in-law is the founder of Basement Systems and recognized what a tremendous asset Ed would be to the company, so he recruited him in 1997. Ed is a true professional and brings a focused, intelligent approach to each job he is involved with.

He is a trusted and valued member of the team and upholds the standards of the company. Ed has been thoroughly trained and has earned the highly esteemed title "Certified Waterproofing Professional", through the Basement Systems International Waterproofing Contractor Network.

He was recently promoted and holds the position of System Design Specialist at Basement Systems. Ed has consulted with over 2,000 homeowners about their basement water problems and has designed effective solutions for every one of them. He takes responsibility for every job he is involved with and is a trusted and valued member of the Basement Systems team.

Ed enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. Ed is a licensed U.S.C.G. captain and president of the Trophy Chasers Fishing Club.
