### **Work Experience -**

Joe has a tremendous understanding of basement waterproofing having spent many years in the industry. He has consulted with thousands of homeowners and designed effective solutions for every one of them. Joe brings a focused, intelligent approach to each job he is involved with and is a true professional.

Basement Systems saw what an asset Joe would be to the company with his basement waterproofing experience and brought him on-board. After thorough training, Joe began with the company as a sales representative and was quickly promoted to System Design Specialist. He is a trusted and valued member of the Basement Systems team and upholds the standards of the company. Joe has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Basement Systems is the corporate headquarters for the Basement Systems International Waterproofing Contractor Network - a group of over 140 of the best waterproofing contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Joe enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. During his free time you can find him out on the baseball field coaching his team of Little Leaguers.
