#### **Work Experience -**

Rainer has the unique distinction of having been in the basement waterproofing industry for over 30 years which gives him a tremendous understanding of basement waterproofing and crawl space repair. He has designed successful systems in 16 states across the country. Rainer has consulted with thousands of homeowners, designing effective solutions for every one of them. He brings a focused, intelligent approach to each job he is involved with and is a true professional.

Rainer has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network. He is a trusted and valued member of the Basement Systems team and upholds the standards of the company. Rainer has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Basement Systems is the corporate headquarters for the Basement Systems International Waterproofing Contractor Network - a group of over 300 of the best waterproofing contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Rainer enjoys meeting with homeowners and helping them to get more out of their homes. Rainer is a gifted photographer, avid LD ocean swimmer & SCUBA diver.
