### **Work Experience -**

Thomas has a great understanding of the importance of a dry basement. Thomas' friend and the founder of Basement Systems, Larry Janesky, introduced him to the waterproofing industry. He has a unique qualification of being a science teacher and a moisture control expert. Thomas brings a focused, intelligent approach to each job he is involved with and is a true professional.

Connecticut Basement Systems saw what an asset Thomas would be to the company and brought him on board. After thorough training, Thomas began with the company as a sales representative and was quickly promoted to System Design Specialist. He is a trusted and valued member of the Connecticut Basement Systems team and upholds the standards of the company. Thomas has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Connecticut Basement Systems is the exclusive regional dealer for the Basement Systems International Waterproofing Contractor Network, a group of more than 240 of the best waterproofing contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Thomas enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. He spends his free time with his wife and children.
