Work Experience -

Todd has an extensive understanding of the basement waterproofing and crawl space repair industry. He has years of experience in the home improvement industry and specializes in technical services, having graduated from college with a BS in Electrical Engineering. Todd brings a focused, intelligent approach to each job he is involved with and is a true professional.

Basement Systems saw what an asset Todd would be to the company with his experience and spent two years recruiting Todd before bringing him on board. He is a trusted and valued member of the Basement Systems team and upholds the standards of the company. Todd has been thoroughly trained and has earned the highly esteemed title "CERTIFIED Waterproofing Professional" through the Basement Systems International Waterproofing Contractor Network.

Basement Systems is the exclusive regional dealer and the International Headquarters for the Basement Systems International Waterproofing Contractor Network, a group of more than 240 of the best waterproofing and crawl space repair contractors in the world, who have exclusive access to patented products, comprehensive training and support through the international company.

Todd enjoys meeting with homeowners and helping them solve their basement water problems, enabling them to get more out of their homes. He enjoys spending his free time with his wife downhill skiing and bicycling.
